

Sujan Maharjan

Senior Frontend Engineer (React | TypeScript)

Address: Kathmandu, Nepal (Open to Remote)

Email: sujan.mhrzn75@gmail.com | Phone: +977 9843012552

PROFESSIONAL SUMMARY

Senior Frontend Engineer with 9+ years of experience building scalable, high-performance web applications using React.js, TypeScript, and modern JavaScript (ES6+).

Expert in component-driven architecture, design systems, and frontend performance optimization, with a strong focus on user-centered design, accessibility, and UX quality.

Proven experience working with distributed global teams, delivering production-ready features, and proactively improving product experience. Strong ownership mindset with ability to translate complex requirements into intuitive, high-quality interfaces.

CORE SKILLS

- React.js, Vue Js, TypeScript, JavaScript (ES6+)
 - Component Architecture & Design Systems
 - REST API Integration & Data Handling
 - State Management: Redux, Zustand, React Query, Pinia, Jotai
 - Performance Optimization (lazy loading, memoization)
 - Responsive Design & Accessibility (WCAG)
 - UI/UX Design, Micro-interactions
 - CI/CD, Webpack, Vite
 - Agile Development & Remote Collaboration
 - AI Tools (ChatGPT, GitHub Copilot, Claude)
-

PROFESSIONAL EXPERIENCE

Senior Frontend Developer

OmnicomMediaGroup Nepal | May 2023 – Present

- Architected scalable frontend systems using React.js + TypeScript, Vue Js + Typescript
- Built reusable components and contributed to design system evolution
- Improved performance using lazy loading, memoization, and optimized rendering
- Collaborated with backend teams on API contracts, error handling, and integration
- Ensured responsive design and accessibility best practices
- Led code reviews and maintained clean, scalable codebase
- Proactively identified UX issues and improved product experience

Software Engineer (Frontend)

Oil Command LLC (Remote, USA) | July 2023 – August 2025

- Migrated legacy Angular app to React.js, improving performance & maintainability
- Developed scalable design system and reusable UI components
- Worked in cross-functional global teams across time zones
- Improved UI consistency and frontend architecture

Software Engineer

Seva Development | Oct 2021 – May 2023

- Developed and enhanced **React.js applications**, delivering new features and scalable modules aligned with business requirements
- Maintained and improved legacy codebases by fixing bugs, refactoring components, and optimizing performance
- Collaborated directly with clients to gather requirements, provide technical insights, and deliver user-focused solutions
- Translated client needs into intuitive, responsive, and high-quality UI implementations
- Improved application stability and user experience through continuous iteration and testing

Senior Frontend Developer (Part-Time)

Aeritech LLC (USA) | Jun 2019 – May 2022

- Delivered large-scale React & Vue applications
- Integrated APIs and optimized frontend performance
- Mentored developers and improved team productivity

Frontend Developer

OmnicomMediaGroup Nepal | Jun 2019 – Sept 2021

- Introduced modern frontend stack and UI improvements
 - Built PWA applications and improved UX workflows
 - Standardized frontend architecture and code quality
-

DESIGN & PRODUCT IMPACT

- Contributed to design systems and UI consistency across products
 - Worked closely with designers on wireframes, prototypes, and user flows
 - Focused on micro-interactions, animations, and usability improvements
 - Iterated UI based on user feedback and analytics insights
-

AI & PRODUCTIVITY

- Used ChatGPT, Claude Code & GitHub Copilot for faster development & debugging
 - Leveraged AI for rapid prototyping and UI ideation
 - Applied critical review to ensure code quality and scalability
-

TECH STACK

Frontend:

React.js, Vue.js, TypeScript, JavaScript, HTML, CSS, SCSS

State Management:

Redux, Zustand, React Query, Vuex, Pinia

UI/UX:

Figma, Tailwind CSS, Material UI, Bootstrap, Design Systems

Tools & DevOps:

Webpack, Vite, Git, CI/CD, Vercel

Cloud:

AWS (EC2, S3), Firebase

EDUCATION

MBA – Infrastructure University, Malaysia (2023)

BSc.IT – Kuvempu University, India (2016)
